

What can \$5. do?

*\$5 per person = people coming to Christ, new believers discipled,
new churches planted.*

Dear AGC Church Member,

A Movement of Heathy REPRODUCING Churches. This is our vision as an association. One of the ways we live this out is by supporting AGC church planters in partnership with local AGC churches. There are many people today hearing about Jesus for the first time because of new church planting initiatives like ***Benediction Church*** (Hamilton ON) and ***Risen City Church*** (Kitchener ON). When we work together, we all share in the joy of seeing new communities of faith come into being as a result of these efforts. Some may think that \$5. does not buy you much in today's world. I want to challenge that and invite you to participate in this year's AGC Church Planting Love Offering.

If everyone in our churches were able to contribute \$5 to the Church Reproduction Fund, it would go a long way towards making our vision a reality. Please donate \$5 (or more, if you are able!) through your church to the Church Planting Fund. Place your donation* in an envelope marked *AGC Church Planting* and place it in your offering on Sunday, February 17th or 24th, 2019.

Eternity will reveal the blessing of your faithfulness. Thank you!

Rev. Bill Allan
President

*make cheques payable to *your church*
