

MINISTRY Leaders GATHERINGS

Spring 2019

Theme: Church Leadership

Join the Journey

Do you ever wonder where we are going as an Association? Have you wondered if you are on the right bus, and if so, are you in the right seat? At these Ministry Leader Gatherings our President will focus on the direction we are going as an Association as we live out our ENDS to become A Movement of Healthy Reproducing Churches.

Expect to:

- Gain an understanding of the vision of the ENDS.
- Actively participate in the journey by living out the ENDS in your life, your ministry and your church.
- Take the challenge to find the right seat on the bus.

Facilitator:

Bill Allan

President, AGC
