

AGC National Conference 2020

Dear AGC Family of Churches,

I am writing to share some of the details for our upcoming **AGC National Conference** to be held in **May 2020**. At our last National Conference, we announced that our 2020 Conference would take place in Ottawa, Ontario. Unfortunately, as with any long-range planning, circumstances came up that required a change in venue.

- We are very pleased to announce that our **2020 National Conference** will take place in scenic **Kelowna, British Columbia, May 28-30, 2020**. Mark the date in your calendars!
- *Trinity Church, Kelowna* will be our conference venue. Our keynote speaker will be **Dr. Michael Pawelke, President of Briercrest College and Seminary**. Michael is well known to the AGC, having served in pastoral ministry in AGC churches for well over 30 years prior to his role at Briercrest.

I would like to personally encourage our AGC churches to plan to send your pastors/ministry leaders and delegates to our 2020 National Conference. As member churches in our Association, your participation at Conference is a vital part of your commitment to and involvement in the AGC. As part of your investment in the vital work of our Association please consider sending your pastor and spouse to this very important AGC family event.

We are excited to send you further information and details as they become available.

Blessings in Christ,

Rev. Win Bowman
Moderator, AGC National Board
